OUR ORGANIZATION

Black Hound Security Services (BHSS (P) Ltd.) stands as a premier security company in India, employing approximately 1,200 highly trained and equipped security personnel across various levels. Trusted by leading national and multinational clients, Black Hound has been a symbol of reliability and excellence since its inception in 1989 under the dynamic guidenship of Lt. Col. K. Prasad (Retd.) and under the able leadership of Mr. Ajay Shukla.

Black Hound is a registered entity under the Companies Act 1956, the Shop & Establishment Act 1962, and the GST provisions under the Finance Act 1994. Our company is also compliant with the Employees Provident Fund Act and the Employees State Insurance Act, ensuring comprehensive benefits for our workforce. As a proud member of the Central Association of Private Security Industry (CAPSI), Black Hound is committed to upholding the highest standards of security service excellence.

We are also certified with all the essential certification in hand -

- A - Provident Fund Reg. No. UP / 20836
- B - ESI Reg. No. 21-21315-101
- C - GSTIN No. 09AAACB4640A1Z9
- D - Companies PAN No. AAACB4640A
- E - Security License as per PSAR Act 2005
- F - ISO 9001 : 2015 Certification

OUR SERVICES

Our services are designed to provide comprehensive security solutions to our clients, ensuring safety and peace of mind. We at Black Hound Security Services offers a comprehensive

- **Security Survey** :- This involves a detailed assessment of the environment in and around a unit to develop an optimal security layout. The evaluation team engages in-depth discussions with company executives to gather facts and opinions, which helps us to make informed recommendations.
- **Physical Guarding Services** :- We employ seasoned and well-trained security personnel. All our guards receive continuous training through in-house activities and regular updates to ensure they are always prepared and effective in their roles.
- **Special Security** :- For more challenging and sensitive situations, we deploy specially trained armed and unarmed security personnel. These professionals are equipped to handle scenarios such as:
 - Strikes
 - Labour unrest
 - Gherao (encirclement)
 - VIP escortingThis specialized training ensures that we can provide comprehensive security solutions tailored to the specific needs of each unit. Black Hound Security Services offers a comprehensive range of specialized security services.
- **Event Security**:- For special events such as Raising Day, VVIP visits, award ceremonies, and New Year celebrations, We deploy highly trained and expert staff skilled in soft skills and also install and monitor surveillance cameras round the clock, and use metal detectors and electronic sensors to ensure safety.
- **Investigation / Background Verification**:- Black Hound provides pre- and post-employment verification services, as well as information gathering on labour and unions and we maintain complete confidentiality throughout the process.
- **First Aid**:- Adequate numbers of well-trained security staff in first aid are deployed across all units to handle medical emergencies.
- **Emergency Response Procedures**:- All personnel are well-trained in emergency response procedures, which are periodically rehearsed to ensure readiness
- **Fire Training / Drills / Protection**:- Unit-wise training programs are conducted to ensure that all personnel are prepared for emergencies, not just the firefighting team. Regular fire drills are conducted weekly or fortnightly, and firefighting equipment is checked at regular intervals.
- **Outsourced Specialized & Utility Staff**:- We provide a variety of specialized and utility staff, including front office executives, trained drivers, catering staff, gardeners, housekeeping staff, and workers for packaging, loading, and unloading.

- **VIP Protection**:- For VIP protection, we offer experienced, dedicated, and highly reliable security

SALIENT FEATURES

Managed and Driven by Professionals: The company is led by experienced professionals, ensuring high standards of service.

- **Regular Rotation of Personnel:** Ensures fresh perspectives and prevents complacency.
- **Emergency Deployment:** Capable of deploying security personnel at short notice.
- **Experience in Outsourced Jobs:** Experienced in handling various outsourced tasks.

TRAINING: THE FOUNDATION OF EFFICIENCY & DISCIPLINE

At **Black Hound Security Services**, we believe that consistent training and development are at the core of delivering exceptional security services. Our commitment extends beyond training security guards and supervisors. We ensure that senior managers and top executives stay well-informed and continuously updated with the latest advancements, best practices, and cutting-edge technology in the security industry. This encompasses both national and international developments, ensuring that our team remains at the forefront of the security sector.

Beyond our on-campus training, we prioritize **on-site training sessions** for our deployed personnel. These sessions are vital in keeping all our security guards and supervisors well-acquainted with real-time security parameters. By conducting regular, hands-on training at the sites where our personnel are stationed, we ensure that they are proficient in applying security protocols in practical, high-pressure scenarios.

A significant aspect of our training focuses on **Post-Wise Standard Operating Procedures (SOPs)**. We emphasize training each security guard in detail about their specific post's responsibilities and protocols, ensuring that they understand their duties thoroughly and execute them with precision. This tailored approach ensures that every guard, irrespective of their location, performs their duties in accordance with the highest standards of safety, efficiency, and professionalism.

At Black Hound Security Services, we not only meet but strive to exceed the expectations of our clients by providing a workforce that is trained, prepared, and fully equipped to safeguard their interests. Our goal is to set a benchmark in the security industry by combining robust training with advanced technology and innovative practices.
